### Mountain Bike Trail access from:

#### Horse Mt. Creek Trailhead:

The mountain bike trail is on the same side of the road as the parking area. A short spur from the parking area leads to the bike trail. The Horse Mountain Creek Trail, on the west side of the road, travels into Wilderness where bicycles are prohibited. Please do not ride our Wilderness trails.

#### Tolkan Campground:

The trail is immediately to the east of Tolkan Campground. This is an overnight fee area, lacking water, but it could be a good staging area for a weekend trip.
